

# Moulding Mates™

The next evolution in Quick Clips™ Technology

**Secure**

**1.**

Secure your Quick Clips™ to the wall

**Measure**

**2.**

Measure and cut mouldings to fit.

**Install**

**3.**

Snap your mouldings and Moulding Mates™ in place.

Our award winning Quick Clips™ moulding installation system has been expanded to our Moulding Mates™ line of miter-free, *contoured* corners and connectors. Now you can get the beauty and variety of profiles from our Moulding Mates line of crown mouldings with the convenience and ease of installation that Quick Clips provides.

The benefits of Moulding Mates™ with our patented Quick Clips™ moulding installation system include:

- No Nails
- No Adhesive
- No Miter, Coping or Scarf Cuts
- No Need to Locate Studs
- Reduced Labor
- Snap-Over Corners & Connectors
- Moulding Mates™ Match and Enhance Crown Profiles
